

Technical Data Sheet **Cleaning station**

Product Description / Application: The cleaning station gives every cleaning tool its fixed, visible place – missing utensils are noticed immediately. The result: teams work more efficiently, more hygienically and with greater motivation. At the same time, you create the perfect basis for 5S methods, lean management and continuous improvement processes.

- Elimination of waste caused by search times
- Easy installation
- Wide range of colours and variants

Ideally suited for:

- 5S projects
- Cleaning concepts
