

Technical Data Sheet **FlexGrip**

Product Description / Application:

Flexible tape made of aluminum carrier material combined with special acrylic-based adhesive. Suitable for structured floors in indoor and weather-protected outdoor areas. Anti-slip tape with an aluminum oxide grit, which is firmly bonded to a PVC carrier material using acrylic resin.

Ideally suited for

- Marking of stairs, ramps, machines, vehicles, and more
- Marking of high-traffic areas
- Marking of hazard zones
- Structured surfaces or checker plates

Technical Data

- Optimal application temperature: $\geq 12^{\circ}\text{C}$
- Application area: Suitable for industrial purposes
- Material: Aluminum foil
- Thickness: 0.78 mm
- Slip resistance class: R13 according to DIN EN 16165
- Adhesive: Acrylate
- Carrier material: Aluminum oxide grit
- Temperature range: -23°C to $+65^{\circ}\text{C}$

Processing Instructions:

Surfaces must be dry, clean and free from dust, oil, grease and solvents. After application, the labels should be subjected to pressure for as short a time as possible to increase durability.

Warranty and Liability:

Our information and recommendations are based on current knowledge. The values stated in our data sheets are typical or average values. Changes and additions are possible at any time. Since the use of our products is beyond our control, we assume no liability or warranty. We are happy to provide you with sample material for testing purposes. After application, the LongLife floor marking should be subjected to pressure for as short a time as possible to increase durability. Turning and maneuvering on the tape with industrial trucks or similarly heavy vehicles must be avoided and can lead to destruction of the tape.

Important Note:

The information on the properties or usability of materials or products is for information purposes only and does not constitute a contractual obligation. The information is based solely on the manufacturers' experience. All information is provided without guarantee. Subject to printing errors, mistakes and changes.
