

Technical Data Sheet **Block Storage Sign** **Storage location labeling**

Product Description / Application:

The rigid foam signs are used to mark storage areas and, thanks to their angled suspension, allow scanning from the floor. The signs can either be individually labeled or, in the version with an insert pocket, filled with paper by the user. The signs are also available as triangle and cube suspensions

- Individually writable
- Available with insert pocket

Ideally suited for marking:

- Storage areas
- Work areas
- Aisles
- Set-down areas
